

## RHS Virtual Day(s) Policy

TCS high school students have been issued a Chromebook. Therefore, high school teachers will deliver their virtual day plans digitally. We also have made accommodations for students without wi-fi at home. Students will know how to access needed materials and will be responsible for work completion to receive credit for attendance and classroom grades for Virtual Days. TCS is excited to offer this opportunity to our students again this year.

### RHS Virtual Day Guidelines:

1. **Student work is due the FIRST DAY BACK** to school after missing 1 or more days due to inclement weather. If one day of school is missed, Day 1 work is due upon return. If two consecutive days are missed, Days 1 and 2 work is due upon return. If three consecutive days are missed, Days 1, 2 and 3 work is due upon return.
2. There should be **few issues** to interfere with the above process. If there is an **unforeseen problem** with work completion, the classroom teacher will work with a student on a case by case basis.
  - 1 day late: 10 % off final grade
  - 2 days late: 20 % off final grade
  - 3 days late: 30 % off final grade
  - 4 days late: 40 % off final grade
  - 5 days late: 50 % off final grade

**\*\*\* Student work will not be accepted after 5 days.\*\*\***

**After 5 days, no work=class absence and 0 entered in grades for the class.**

3. Each teacher will prepare approximately 1 hour of classwork for each subject area. **Students should read directions carefully** before seeking teacher assistance. If specific questions arise, teachers will be available to respond in Google classroom or by email until 3 p.m. on Virtual Days.
